Cinderella Shoeshine

a musical written and directed by Teresa Early
with music by Roger Goslyn

Lucinda and her little brother Ben arrive at London Docks, fresh from Jamaica on a cold winter's day in 1949. For downhearted young Cindy, England is certainly no Mother Country - she's definitely not having a ball. If only she had set sail for America instead! But Cindy still has her dreams to keep her warm and with the help of her Fairy Godmother they may yet come true! Let Cindy's dreams whisk you away to a land of glamour, movie stars, and the Hollywood Movies. We all know how the story goes - can Cinderella outshine her Ugly Step Sisters to win the heart of the handsome leading man?
