Good to have Friends

by Teresa Early
and Roger Goslyn

Let New Peckham Varieties bring some warmth and sunshine into your nursery this autumn term with their lively and charming tale of friendship, sharing and an amazing home-corner cooker!

It's Milly's first day at school, she's sad and shy and doesn't want to stay – that is until a boy called Whizz befriends and delights her.
With his tales of jelly and ice cream, magic cakes and egg and spoon races, this funny little boy helps Milly discover that nursery can be a great place and that no one needs to be shy (including teachers!)

'Good to have Friends' is available for booking from November 2002 for nurseries, playgroups, reception classes, libraries and theatres.

NPV can tour this production to almost any venue. Just let us know and we will fit the play into your space!

Prices for this production start at £140.
